RESTAURANT & BAR

Build your own bloody

Created in 1933 this classic drink was named after Queen Mary the 1st of England. The first version was made at the St. Regis in New York as a way to give guests options. This probably is a reason that since the beginning of time everyone claims to have the best recipe...so now it's your turn to join the club. Start with the mix and personalize your own very best version.

Step One...Spirits

absolut elyx 16

house infused cucumber absolut elyx vodka 16

house infused bacon & thyme absolut elyx vodka 16

house infused peppercorn absolut elyx vodka 16

step two...the mix

start with our house made mix...tomato based with a kick...
don't bother asking what's in it because we won't tell...

step three...the enhancements

choose wisely to enhance your base...

daily selection of hot sauces and spices

daily selection of citrus

step FOUR...the FINISHING TOUCH

finish strong with a selection of rimmers and garnish...

sea salt

old bay seasoning

daily selection of pickled veg

daily selection of artisanal cheeses / meats
